*Remarks on Mastodon, etc. of California.*—Prof. LEIDY stated that he had recently corresponded with Dr. Lorenzo G. Yates, of Centerville, Alameda Co., California, who had discovered the Mastodon remains to which he had called the attention of the meeting on Sept. 6th, 1870. Dr. Yates writes that in his travels through various portions of California, he had made special search for remains of Mastodon and Elephant. He has noted twenty
